Dr. Svehlak has also been quoted in a variety of magazines including *US Weekly*, *Elle*, *Stuff*, *Health & Fitness Sports Magazine* and *The Aesthetic Surgery Journal*.

Surgical Philosophy

"My focus is always on each of my patient's safety, comfort and satisfaction. It's important to spend ample time with each patient reviewing the procedures and the recovery process. I perform every procedure with great care and attention to detail so I can safely and consistently achieve natural-looking results."

Procedures & Services

Breast enhancement procedures include breast augmentation, uplifts, revisions and reductions. Body sculpting procedures include laser-assisted liposuction, tummy tucks and Brazilian butt lifts.

Facial enhancement procedures include rhinoplasty, facelifts, fat grafting, ear and eyelid enhancement, chin implants and brow lifts. Dr. Svehlak also performs a variety of non-surgical treatments including BOTOX®, Juvéderm™ and Radiesse®.
